San Pablo Villas #2 is a fantastic property with spacious flats ideal for long- and short-term living, located just a short stroll from Ambergris Caye's eastern beach.This development is located in the San Pablo area, and was finished in 2019. Over 3 floors, there are nine two-bedroom, one-bathroom condos. Every condo has access to a breathtaking rooftop with views of the reef and the water throughout the neighborhood. On a plot of ground measuring 100 by 80 feet, the property is secured, planted, and equipped with a nice garden space, safe parking, places to sit, and a covered common rubbish disposal facility.The condos share a septic system and cistern with a pump that assures clean water for every unit, and they are individually metered for city water and electricity.The San Pablo Villas condos each include a private bathroom. They are all registered with the Belize tourism board and come equipped with a custom-built kitchen, living room, and washer/dryer. The condos are
