It gives us great pleasure to present this lovely property for sale at Tara Del Sol, a wonderful and exclusive resort. With only 10 properties spread across 3 buildings, a magnificent Pool, 200 feet of manicured beachfront, a private dock, and a palapa to enjoy the shade over the ocean, the luxurious island life awaits. The neighborhood is really lovely. It is located on the Mosquito Coast roughly two miles south of the town of San Pedro. B2 is a second-floor penthouse condo measuring 1498 square feet, with two bedrooms, two bathrooms, and an open-concept living and dining area with doors leading out to a private veranda with stunning views of the pool, the Caribbean Sea, and the barrier reef beyond. HOA \$650 USD per month includes insurance, all outside buildings, grounds, and pool maintenance. Tara Del Sol is in the South Ambergris Caye Neighborhood watch area, which supports 24-hour patrol, community meetings, and get-togethers, making the neighborhood one of the most loved and cared-for communities on the island.
