Keller Williams is pleased to announce the Exclusive listing of this exceptional luxury home in North Plantation sitting on 0.355 acres, offering 75 feet of private beachfront and ample room on the road side for additional buildings or guest cabanas. The total inside square feet of living space is 3,480 and there is an additional 2,685 square feet of covered outside space. Bringing the total inside/outside space to 6,165 square feet. Thoughtfully designed for entertaining and seaside living, the main floor features an expansive open-plan living room, dining area and gourmet kitchen (1,729 sq ft) that opens to a large covered patio and an 18'x33' pool facing the sea. The chef's kitchen is outfitted with high-end Frigidaire/Electrolux Professional appliances, including a 67" side-by-side refrigerator, double oven with convection/microwave and warming drawer, a professional gas cooktop on an 8'x7' island, Akdy ventilation hood, and 37 linear feet of cabinetry and countertops. A large walk-in pantry includes washer and dryer. The home has three bedrooms
