Beach Town Wellness Shop in Placencia

Price: SOLD

MLS Number: BBB182507P

This beach town wellness shop presents a unique and compelling acquisition opportunity to own a highly successful, established, and growing wellness and spiritual retail business in the increasingly sought-after tourist and expat hub of Placencia, Belize — a truly beloved destination. As the leading brand in its niche across Belize, the business has cultivated a loyal customer base, demonstrated consistent profitability, and month-over-month growth since its inception. The store is a vibrant, intuitive space, brimming with tools for a balanced life: think locally made body care, massage oils, natural jewelry, essential oils, tarot, smudge bundles, healing service, singing bowls, and so much more. The current owner is offering this turnkey operation for immediate acquisition (sale, lease-option, or lease/takeover) to pursue new ventures. This is an ideal opportunity for an individual or entity looking to own a profitable, high-impact business in paradise, with significant potential for further expansion and diversification. Everything's included: inventory, fixtures, prime veranda space, social media
